(A) If an Enforcement Officer determines that a building condition requires the vacation, securing, repair, or removal of a building, the abating of a nuisance condition, or the relocation of the occupants of the building, the Enforcement Officer shall:

- (1) give notice of the nuisance to the owner of the building by personal

service or by certified mail (with a duplicate copy addressed to such owner or occupant as shown in the most recent tax roll or utility records of the City and deposited in the U. S. If the City Council allows the owner, lienholder, or mortgagee more than ninety (90) days to complete any part of the work required to repair, remove or demolish the building, the City Council shall require the owner, lienholder or mortgagee to regularly submit progress reports to the City Council through an Enforcement Officer to demonstrate compliance with time schedules established for commencement and performance of the work and may require that the owner, lienholder, or mortgagee appear before the Enforcement Officer, the City Council, or their designees, to demonstrate compliance with the time schedules. If the owner, lienholder, or mortgagee owns property, including structures or improvements on property, within the City's boundaries that exceeds \$100,000 in total value, the City Council may require the owner, lienholder, or mortgagee to post a cash or surety bond in an amount adequate to cover the cost of repairing, removing, or demolishing a building under this subsection. In lieu of a bond, the City Council may require the owner, lienholder, or mortgagee to provide a letter of credit from a financial institution or a guaranty from a third party approved by the City Council. The bond must be posted, or the letter of credit or third-party guaranty provided, not later than the 30th day after the date the City issues the order.

Additionally, if the building as it stands presents an incurable fire hazard in violation of the terms of this Ordinance or any ordinance of the City or law of the state, it shall be demolished. For the purpose of this Ordinance, the term "demolished" includes the cleaning and grading of the building and the removal of all debris and trash.
- (E) If the building is not vacated, secured, repaired, removed or demolished, or the occupants are not relocated within the allotted time, the City may vacate, secure, remove or demolish the building or relocate the occupants at its own expense, and may thereafter assess expenses, and establish a lien against the property, as set forth in Section 1.19 of this Ordinance.

Ordinance, the owner, lienholder or mortgagee fails to comply, the City may repair or cause the repairs necessary to bring the building into compliance with this Ordinance and only if the building is a residential building with ten (10) or fewer dwelling units. The repairs may not improve the building to the extent that the building exceeds the minimum standards, as defined by this Ordinance, and expenses may be assessed as provided in Section 1.19 of this Ordinance.

Any Enforcement Officer, or his designated representative(s), is hereby directed and authorized to administer and enforce the provisions of this Ordinance. The charge shall be the actual cost of abatement, plus applicable sales taxes.

(B) An administrative fee of \$25.00 shall be assessed for each such charge.

(C) If the actual charge and the administrative fee are not paid to the City within thirty (30) days after billing, the City shall file a lien against the property. The lien shall be collected under the same terms and provisions of law as the City's ad valorem taxes. The lien may be extinguished prior to foreclosure if the owner or other person having an interest in the legal title to the building reimburses the City for its expenses. If the notice is given pursuant to Section 1.9, and the opportunity to abate the nuisance or repair, remove, or demolish the building is afforded to each mortgagee or lienholder under said Section 1.9 of this Ordinance, the lien is a privileged lien subordinate only to tax liens as authorized by Texas Local Government Code Section 214.001(o).
